LEGISLATIVE ASSEMBLY

PRIVATE BILLS

Excerpt From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session,

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

APPLICATION FOR AMENDMENT OF POLLUTION CONTROL PERMIT PA-3102, PURSUANT TO SEC. 6 OF POLLUTION CONTROL ACT, 1967

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) or (3) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Westlake Paving and Aggregates Ltd., of Stevens (RR 6), Kelowna, B.C., hereby applies for amendments, as described below, to Pollution Control Permit PA-3102, granted on June 25, 1975, to discharge contaminant(s) to the air and scrubber effluent to the land from a portable asphalt plant at Westbank.

To amend Appendix 01 by deleting those words of Item (b) which read "Maximum: 15,000 SCFM; duration: 10 hrs/day, Frequency: 7 days/week. Average daily (based on the operating period): 15,000—Normal operating period is 10 hrs per day, 7 days per week." and substituting therefor the words "Maximum, 20,000 SCFM; duration, 10 hours a day; frequency, seven days a week; average daily (based on the operating period), 20,000 (normal operating period is 10 hours a day, seven days a week)."

To amend Appendix 01 by deleting those words of Item (d) which read "a wet scrubber, stack and related appurtenances" and substituting therefor the words "a baghouse or wet scrubber, stack, and related appurtenances".

To amend Appendix A by deleting those words which read "Scrubber discharge stack" and substituting therefor the words "Baghouse stack discharge" (the above words indicate a different location as shown on the attached plan).

To amend the Monitoring Program sample requirements from "twice per year" to "once per year".

The purpose of the foregoing amendments is to have the permit wording and detail comply with the new equipment that is being installed as per the letter.

I, A. T. Harrison, Secretary-Treasurer, hereby certify that a copy of this application has been received by the Regional District of Central Okanagan.

This application, dated on the 8th day of February 1977, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR AMENDMENT OF POLLUTION CONTROL PERMIT 398-P, PURSUANT TO SEC. 6 OF POLLUTION CONTROL ACT, 1967

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) or (3) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Westcoast Transmission Company Ltd. of 1333 West Georgia Street, Vancouver, B.C., hereby applies for amendments, as described below, to Pollution Control Permit 398-P, granted on April 22, 1971, to authorize Westcoast Transmission Company Ltd. to discharge 5,000 imperial gallons a day of treated domestic sewage to the Pack River at McLeod Lake.

To amend the quantity to be discharged by deleting those words of Item (b)

which read "5,000 gallons per day" and substituting therefor the words "a maximum of 8,400 imperial gallons per day".

To amend the quality of the effluent by deleting those words of Item (c) which read "an average of suspended solids 80 ppm; B.O.D. 70 ppm; no toxic chemicals" and substituting therefor the words "five-day BOD, 130 mg/l; total suspended solids, 130 mg/l".

The purpose of the foregoing amendments is to allow additional users of the treatment system by connecting a school to the sewage-collection system.

I, W. D. Kennedy, hereby certify that a copy of this application has been received by the Regional District of Fraser-Fort George.

This application, dated on the 9th day of February 1977, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Refuse)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

British Columbia Forest Products Limited, of 22nd Floor, 1050 West Pender Street, Vancouver, B.C., hereby applies to the Director for a permit to discharge refuse from Caycuse Maintenance Shops located at Caycuse, Cowichan Lake, and gives notice of application to all persons affected.

The refuse-disposal site shall be located one-half mile from Caycuse, or 13 chains west, 2 chains south from corner post No. 8, Block 108, Cowichan Lake Land District.

The type of refuse to be discharged shall be floor sweepings, lathe trimmings, used oil cans, and other similar inorganic materials not suitable for the Meade Creek burner.

The quantity of refuse to be discharged shall be as follows: Average daily discharge (based on operating period), 2 cubic yards.

The operating period during which the refuse will be discharged shall be year round, with discharges made weekly.

The nature of characteristics (in per cent by weight) of the refuse to be dis-

charged is estimated to be 90 per cent metallic wastes (lathe trimmings, logging cable, oil cans, old machinery parts, etc.); 10 per cent nonmetallic wastes, old brake shoes, plastics, etc.

The type of treatment to be applied to the refuse is as follows: Discharge to be deposited in 4-foot lifts, compacted then covered with 1 foot of mineral soil.

I, P. W. Hayward, Secretary-Treasurer, hereby certify that a copy of this application has been received by the Regional District of Cowichan Valley.

This application, dated on the 11th day of February 1977, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Effluent)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Sunnyside Glen Ltd., of 301, 2336 Wall Street, Vancouver, B.C., hereby applies to the Director for a permit to discharge effluent from Anmore Trailer Park community sewage-treatment plant located at north end of Sunnyside Road, north of loco, into the ground, and gives notice of application to all persons affected.

The land upon which the works are located is the south 15 chains of the east 10 chains of the southwest quarter of Section 29, Township 39 (except portion on Plan 8163), NWD, and Lot 12 of Section 20, Township 39, Plan 3350, NWD.

The discharge shall be located at a forested plateau 1,200 feet east of the western boundary of said Lot 12.

The quantity of effluent to be discharged is as follows: Average annual daily discharge (based on operating period), 10,000 imperial gallons. Maximum daily discharge, 10,000 imperial gallons.

The operating period during which the effluent will be discharged is continuous.

The characteristics of the effluent discharged shall be equivalent to or better than suspended solids, 30 mg/l; BOD, 20 mg/l; pH, 8.5; temperature, 65°F.

The type of treatment to be applied to the effluent before discharge is Northern Purification Services aerobic batch treatment system, one unit of Model MPS 100A, with advanced multimedia filtration.

I, R. Hannon, Registrar, hereby certify that a copy of this application has been received by the Greater Vancouver Regional District.

This application, dated on the 11th day of February 1977, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Effluent)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Whirl Investments Ltd., of 1008 Pacific Drive, Delta, B.C. V4M 2K2, hereby applies to the Director for a permit to discharge effluent from a duplex and a hotel (Sunshine Inn) located at Garden Bay, Pender Harbour, into Pender Harbour, which discharges (tidal) into Strait of Georgia, and gives notice of application to all persons affected.

The land upon which the works are located is Parcel A (Ref. Plan 2346), Block 13, District Lot 1397 (Plan 6045), Group 1, NWD.

The discharge shall be located at Sunshine Inn, Pender Harbour (Garden Bay).

The quantity of effluent to be discharged is as follows: Average annual

daily discharge (based on operating period), 3,500 imperial gallons between May and September; 400 imperial gallons between September and May (duplex only). Maximum daily discharge, 3,500 imperial gallons.

The operating period during which the effluent will be discharged is May 1 to September 30 (hotel and duplex), September to May (duplex only).

The characteristics of the effluent discharged shall be equivalent to or better than suspended solids, 60 mg/l; BOD, 45 mg/l.

The type of treatment to be applied to the effluent before discharge is secondary treatment with Bio-Pure Model 20 unit, batch type.

I, Anne G. Pressley, Secretary-Treasurer, hereby certify that a copy of this application has been received by the Sunshine Coast Regional District.

This application, dated on the 10th day of February 1977, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Effluent)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

J. Duncan Holdings Ltd., of Suite 320, 777 Broughton Street, Victoria, B.C., hereby applies to the Director for a permit to discharge effluent from residential condominiums (36 with three bedrooms) located at Sooke into the ground, and gives notice of application to all persons affected.

The land upon which the works are located is Lot 2, Section 72, Sooke District, Plan 3638.

The discharge shall be located at the southeastern corner of the property.

The quantity of effluent to be discharged is as follows: Average annual daily discharge (based on operating period), 9,000 imperial gallons. Maximum daily discharge, 10,800 imperial gallons.

The operating period during which the effluent will be discharged is continuous.

The characteristics of the effluent discharged shall be equivalent to or better than suspended solids, 60 mg/l; BOD₅, 45 mg/l; pH, 6.5–8.5; temperature, 10°C.

The type of treatment to be applied to the effluent before discharge is aerobic batch-type sewage-treatment system.

I, Dennis A. Young, Executive Director, hereby certify that a copy of this application has been received by the Capital Regional District.

This application, dated on the 15th day of February 1977, was posted on the ground in accordance with the Pollution Control Regulations.

JOHN TREGEAR, P.ENG.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Effluent)

Preamble—This application relates to no new works but is solely to bring an existing discharge of long standing (installed prior to 1908) under permit as required by the *Pollution Control Act, 1967*. This discharge is to be discontinued, but considerable downstream work is required before diversion can be made. Target for diversion is 1982.

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

The Corporation of the City of Victoria, of 1 Centennial Square, Victoria, B.C. V8W 1P6, hereby applies to the Director for a permit to discharge effluent from part of the City of Victoria located at Victoria, B.C., into Rock Bay in Victoria Harbour, which flows (tidal) southerly and discharges into the Strait of Juan de Fuca, and gives notice of application to all persons affected.

The land upon which the works are located is 55 acres of the City of Victoria (bounded roughly by Garbally Road, George Road, Rock Bay Avenue, and the adjacent waterfront).

The discharge is located at the foot of Bridge Street.

The quantity of effluent to be discharged is as follows: Average annual daily discharge (based on operating period), 50,000 imperial gallons. Maximum daily discharge, 70,000 imperial gallons.

The operating period during which the effluent will be discharged is continuous.

The characteristics of the effluent discharged shall be equivalent to or better than typical septic-tank effluent.

The type of treatment to be applied to the effluent before discharge is passage through municipal septic tank having greater than 24-hour detention when clean.

I, N. Howard, Chief Engineer, hereby certify that a copy of this application has

been received by the Capital Regional District.

This application, dated on the 10th day of February 1977, was posted on the ground in accordance with the Pollution Control Regulations.

P. J. CAIRNS
Clerk

This by-law shall not come into effect until it has been published in the Gazette and once in a newspaper published or circulating in the Municipality of Delta and a certified copy of the by-law shall be filed in the Land Registry Office in the City of New Westminster.

This agreement is annexed hereto and forms a part of "Delta River Road East Expropriation By-law No. 2590, 1977".

THIS INDENTURE, made the _____ day of _____ A.D. 1977
BETWEEN

(hereinafter called the "Grantor")

OF THE FIRST PART
AND THE CORPORATION OF DELTA, a municipal corporation under the *Municipal Act* of the Province of British Columbia, and having its municipal offices at 4450—57th Street, in the Municipality of Delta, in the Province of British Columbia (hereinafter called the "Grantee")

OF THE SECOND PART
AND

(hereinafter called the "Mortgagee")

OF THE THIRD PART:
WHEREAS _____ is the registered owner of all and singular those certain parcels or tracts of land and premises situate, lying, and being in the Municipality of Delta, in the Province of British Columbia, and being more particularly known and described as follows:

(hereinafter referred to as the "said lands");

AND WHEREAS the Fraser River Flood Control Program is to construct a dyke, ditch, and utilities over a portion of the Grantor's lands pursuant to the terms of the Fraser River Flood Control Program;

AND WHEREAS the Grantee desires to obtain from the Grantor the rights and rights-of-way hereinafter mentioned over and upon the said lands, and it is desirable that the Grantee acquire the said rights and rights-of-way for dyking, drainage, and utility purposes;

NOW, THEREFORE THIS AGREEMENT WITNESSETH that, in consideration of the sum of one dollar (\$1) paid by the Grantee to the Grantor, receipt whereof is hereto acknowledged, the parties hereto covenant, agree, represent, and promise as follows:

1. The Grantor doth hereby grant forever unto the Grantee the full, free, and uninterrupted right, liberty, and right-of-way for the Grantee, its licensees, servants, officials, machinery, and vehicles, from time to time and at all times hereafter, to enter, labour, go, return, pass, and repass upon and along those portions of the land more particularly known and described as all those portions of _____ shown outlined red on Right-of-way Plan No. _____ and hereinafter referred to as the "Right-of-way" for the purpose of constructing, maintaining, repairing, protecting, enlarging, and reconstructing all or any part of the said dyke, ditch, or utilities situate upon the Right-of-way;

AND THIS INDENTURE FURTHER WITNESSETH that, in consideration of the said sum of one dollar (\$1), hereinbefore paid by the Grantee to the Grantor and for other valuable consideration the Grantor, for himself, his heirs, executors, administrators, and assigns does hereby give and grant unto the Grantee, its successors and assigns, a Right-of-way and the full, free, and unrestricted right and liberty to enter and construct the aforementioned works in, over and upon all and singular that certain parcel or tract of land and premises situate, lying, and being in the Municipality of Delta, in the Province of British Columbia, and being more particularly known and described as all that portion of _____ shown outlined green on Right-of-way Plan No. _____;

AND THIS INDENTURE FURTHER WITNESSETH that, in consideration of the said sum of one dollar (\$1), hereinbefore paid by the Grantee to the Grantor, and for other valuable consideration the Grantor, for himself, his heirs, executors, administrators, and assigns, does hereby give and grant unto the Grantee, its successors and assigns, a Right-of-way and the full, free, and unrestricted right and liberty to enter and maintain the slope of the dyke, being all and singular that certain parcel or tract of land and premises situate, lying, and being in the

Municipality of Delta, in the Province of British Columbia, and being more particularly known and described as all that portion of shown outlined blue on Right-of-way Plan No. :

Filling to Dyke Height

In the event this said portion outlined in blue is filled to the crest of the dyke so as to eliminate the slope, then the Grantee covenants and agrees to release the Right-of-way covering the portion outlined in blue. The Grantor may construct a building or structure with the approval of the Municipal Engineer.

Responsibility for Maintenance

2. IT IS UNDERSTOOD AND AGREED by and between the parties hereto that the construction, maintenance, repairs, protection, enlargement, or reconstruction of all or any part of the said dyke, ditch, or utilities is solely the responsibility of the Grantee.

Inspection

3. It is hereby agreed between the parties that the Grantee, its workmen, and servants shall have and there is hereby reserved to the Grantee the right at any time to enter upon the lands and to examine the condition of the dyke, ditch, and utilities and to make such surveys, tests, and examinations as may be necessary or advisable, but in so doing any interference it may cause to the operations of the Grantor shall be limited to such as is reasonably necessary.

Keeping Right-of-way Clear

4. Subject to the provisions hereof, the Grantee may clear the Right-of-way and keep it clear of all or any part of any trees, damaging growth, buildings, fences, structures, or obstructions now or hereafter on the Right-of-way.

Compensation for Damage

5. The Grantee hereby covenants with the Grantor that the Grantee will compensate the Grantor for any injury or loss to or interference with the lands, improvements thereon, or the works or operations of the Grantor by reason of the Grantee's exercise of any of its rights herein contained.

Reinstatement of Damages

6. The Grantee covenants and agrees with the Grantor to return to good condition any part of the lands which may be disturbed by the Grantee, its servants, agents, officers, or workmen.

Damage by Grantor

7. The Grantor covenants that it will, at all times from the date hereof and up to the time that its said rights shall end and cease to exist, return to good condition and keep in good repair any portion of the dyke, ditch, and utilities and its appurtenances which may be disturbed by the Grantor, its servants, agents, officials, licensees, and assigns in the course of or arising out of the use of, and construction, operation, and maintenance of any works on the land. The Grantor ALSO COVENANTS that it will not damage the said dyke, ditch, or utilities, and that if it does cause any damage to the said dyke, ditch, or utilities, it will forthwith repair the same to the satisfaction of the Municipal Engineer, or if the Grantee carries out the repairs, reimburse the Grantee for the costs thereof.

Grantor Will Not Damage

8. The Grantor will not do or knowingly permit to be done any act or thing which will interfere with or damage the construction or maintenance of the dyke, ditch, or utilities.

Building or Structure on Right-of-way

9. The Grantor hereby covenants and agrees with the Grantee that the Grantor will not erect, place, or maintain any building or structure on any portion of the Right-of-way, shown outlined red on the aforesaid Right-of-way Plan, including the subsoil thereof.

Maintenance

10. The Grantor covenants and agrees to allow the Grantee, its agents and servants, to enter upon the said lands as aforesaid to install, repair, maintain, inspect, and service the said works, and shall not interfere in any way nor prevent any such person coming on the said land for such purposes.

Change of Alignment

11. The parties hereto covenant and agree that, should it be necessary or convenient to alter the locations of the dyke, ditch, or utilities, then, provided the parties hereto agree, a new Right-of-way agreement in the form of this agreement will be entered into covering the new area and this agreement shall be declared to be null and void.

Riparian Rights to Remain With Owner

12. It is mutually understood, agreed, and declared by and between the parties hereto that this agreement shall be construed as running with the land and that no part of the fee of the soil thereof shall pass to or be vested in the Grantee under or by these presents and, in particular, but without limiting the generality of the foregoing, that the rights and rights-of-way granted hereby shall not convey any interest in the riparian rights of the Grantor, including the rights to title to all lands which may have accreted or may accrete to the lands.

Consistency With Statutes, Regulations, and By-laws

13. Nothing in this agreement shall operate or be construed as permitting anything inconsistent with any statute of the Government of Canada or of the Province of British Columbia or of any regulation or by-law passed thereunder.

Binding Agreement

14. This agreement shall enure to the benefit of and be binding upon the parties hereto, their respective heirs, executors, administrators, and assigns.

Time

15. It is agreed that time shall be of the essence of this agreement.

16. Wherever the singular or the masculine are used throughout this indenture, the same shall be construed as meaning the plural or the feminine or body corporate or politic where the context or the parties hereto so require.

IN WITNESS WHEREOF, the parties hereto have executed this agreement the day and year first above written.

The Corporate Seal of The Corporation of Delta was hereunto affixed in the presence of its duly authorized officers:
